Sport Boundaries Strategic Objective

Strategic objective 26:

- **To contribute to improved governance in sport through an alignment of the boundaries of provincial sports federations with geo-political boundaries.**

Performance indicator:

- The number of NFs that have aligned the boundaries of their provincial sports federations with geo-political boundaries.

Resolutions adopted cont'

- **Sport Boundaries**

- It is a Constitutional imperative that sports federations **align** their structures to correspond with the **political boundaries as in the Constitution** by the end of 2013.
- The process of alignment must be **concluded** within two years from the date of the National Sports Indaba, namely in **November 2013**.
- **SASCOC must provide guidelines** and continuous monitoring and support the process to ensure that the deadline is achieved.
- Sports federations must undertake a **review** of their statutes and make **provision** to accommodate the alignment of **their boundaries** with that of the **geo-political boundaries**.
- A detailed developmental plan must be provided to SASCOC working towards the two year deadline.
- Capacity, funding and momentum must be created by relevant role-players for the alignment process.

SASCOC Resolution

- **NINE GEOPOLITICAL BOUNDARIES**
- There shall be nine (9) Provincial Members, categorized and made up of the following
- Regions:

Category 5

These are all multi-facets sport organizations which have cooperation agreements with the National Federations. Their existence will be determined by a category of a National Federation. They will also form part of the transformation and national plan agenda of the country as they cater for a specific target group as per their needs or disability.

SASAPD, SASAI, SADSf, Transplant, Masters and the nine Provincial Sports Confederations.

The above proposed criteria are based on the following principles:

- **SA Agenda on Sport as a contributing factor to socio-economic aspect.**
- **Creating opportunities for all the people of the country- Transformation Agenda.**
- **The number of years in which these National Federations were part of the former and current Macro Sport Organization.**
- **The Country's democracy**
- **The sport type of National Federation as per its needs**
- **Both global and national achievements**
- **NF's inclusion on issues of equity in the country**
- **financial backing from all sectors**
- **Governance**

NB. Please note that the National Federation's placement is based on the assumption that it has satisfied most of the listed criteria.

If any National Federation/organization believe that you should be in a different category than the one suggested, please engage us to discuss your placement.
